FOR IMMEDIATE RELEASE

CONTROLLER DISTRIBUTES \$250.7 MILLION IN LOTTERY FUNDS TO SCHOOLS

SACRAMENTO, December 31, 1999 -- State Controller Kathleen Connell announced the first quarter distribution of \$250.7 million to California school districts, educational institutions and state agencies from the Lottery Education Fund. This represents net income of \$232.5 million for the quarter ended September 30, 1999, and \$15.5 million from unclaimed on-line prizes, and \$2.7 million additional prior year revenue.

The apportionment for this quarter was calculated based on the fiscal year 1998-99 average daily attendance (ADA) figure of 7,562,451, as certified by the various entities. The current quarterly per capita amount of \$32.77 is based on the net revenue for this quarter of \$248.0 million divided by the ADA figure, and an additional \$.35 per capita due to an increase in prior year revenue of \$2.7 million. This represents a \$1.14 per capita decrease from the last quarter's apportionment.

The breakdown of funds to the various educational entities is as follows:

K-12	\$202,341,513.66
Community Colleges	34,132,365.88
California State University	8,817,235.67
University of California	5,205,836.95
Hastings College of Law	32,629.19
Dept. of Youth Authority	103,577.67
Dept. of Education - State Special Schools	35,310.00
Dept. of Developmental Services	0.00
Dept. of Mental Health	<u>0.00</u>
Total	<u>\$250,668,469.02</u>

Funds for the K-12 and Community Colleges are sent to the County Treasurer's Offices where they are deposited into accounts administered by the County Superintendents of Schools. The Superintendents make the allocations to the individual school districts. Funds for the University of California and Hastings College of the Law are sent directly to those institutions.

Funds earmarked for the California State University, Department of the Youth Authority, Department of Education - State Special Schools, Department of Developmental Services and the Department of Mental Health are deposited directly into their state accounts.

Detailed quarterly payment data for fiscal year 1999-2000 and annual summary data since fiscal year 1985-86 are now available on the Internet at the State Controller's home page at <http://www.sco.ca.gov> under Apportionments to Local Governments, Lottery Educational Apportionment. See attachment listing for each county's apportionment.
